

We're Serious about Safety - and it Shows!

THREE RIVERS
CORPORATION

Our **Experience Modification Ratio (EMR)** is currently .59 and we are working diligently to make it even lower! This ratio is compiled by the National Council on Compensation Insurance and demonstrates our on going commitment to keeping our employees safe on every job.

We are proud of the commitment our employees have to our safety program, and our EMR rating proves that our commitment to safety helps us ensure the safest possible project for our employees and you, our Customer.
